Overview of the Charter Petition Process

A citizen or group of citizens may propose an amendment to the Greeley Home Rule Charter by petitioning the City Council, as provided by Section 1-6 of the Charter. The process to be followed for circulating, submitting, and certifying such a petition as well as ultimately placing a question on the ballot is provided under C.R.S. § 31-2-210. Statutes governing the amendment of home rule charters include C.R.S. §§ 31-2-210 – 31-2-225, comprising the authoritative guidance on the process of the use of citizen petitions to amend home rule charters in Colorado.

Timelines for this Process

May 4, 2021	Statements of Intent submitted by petition representatives with sample petition forms for approval
May 6, 2021	Approval issued by City Clerk as to form of each petition
August 2, 2021	Deadline for petitions to be submitted
August 4, 2021	Last possible date for any petition to be filed for the Nov. 2, 2021 Municipal Election
August 23, 2021	Deadline for the City Clerk to certify the validity and sufficiency of the petitions to the City Council – if petition is sufficient, the City Council must set the ballot title at its next meeting
September 1, 2021	Deadline for filing a protest regarding either petition by a registered elector in Greeley
September 3, 2021	Deadline for the City Clerk to certify ballot contents to Weld County
November 2, 2021	Municipal Election

Validation Process

Two petitions were submitted to the City Clerk on August 2, 2021, by the same group of five petition representatives. The first petition sought to add a new section 17-9 to the City's Home Rule Charter, while the second petition sought to add a new section 17-10.

The required number of signatures for each petition to be deemed sufficient is based upon the total number of registered voters in the city of Greeley as of the date the petition representatives filed their statements of intent to circulate the petitions.

Registered voters in Greeley as of May 4: 62,019
5% threshold of registered voters signing required for each petition: 3,101

The validation process involves multiple steps to ensure each petition received is handled in a manner consistent manner, always respecting strict requirements for chain of custody. Each step of the validation process must be completed before the next step proceeds.

- Step 1: Receiving and initially validating the petition
- Step 2: Reviewing and digitizing each petition section
- Step 3: Verifying each petition section contains the required affidavit
- Step 4: Verifying the signatures contained in the petition
- Step 5: Certifying the status of the petition to the governing body (sufficient or insufficient)

Step 1 Receiving and initially validating the petition

Upon receipt by the City Clerk of both the 17-9 and 17-10 petition at 4:45 p.m. on August 2, several initial steps immediately took place that same evening in order to determine whether each of the petitions was initially valid, and if further verifications would proceed in subsequent days.

1. Each petition section received was time stamped.

2. The number of sections received, number of pages per section, and total number of signatures submitted were preliminarily verified and logged.

3. An initial petition receipt documenting the number of pages, signatures, and sections received for each petition was prepared and provided to the petition representatives.

In this initial process, the goal was determine whether at least 3,101 signatures, before any further verification, had been submitted for each petition. If a petition did not contain at least 3,101 signatures, it would not have constituted a validly submitted petition and would not have been subject to any further review. At this stage, a line on a petition section completed to any degree was tallied as a signature for the initial count.

It was determined that both petitions did contain at least the minimum number of required signatures, prior to any verification, and therefore processing of the petition continued the following day.

Step 2 Reviewing and digitizing each petition section

To protect the integrity of the submitted petition documents, strict chain of custody requirements were followed at all times. Once the petitions were received, the original documents were only handled in the

presence of at least two representatives of the City Clerk's Office at a time, and always under the oversight of the City Clerk or her direct designee. To allow for more efficient processing of each petition section and to ensure preservation of the original documents, sections were scanned and the electronic copies were utilized for all verifications.

Prior to disassembling and scanning the petition sections, each section was photographed front and back to document its condition. Each section was also inspected by the City Clerk to ensure it showed no indications of having been disassembled prior to submission in contradiction of C.R.S. §31-2-221(2), and that it was fully intact and contained all the approved pages with no additions. The City Clerk maintained a log documenting when each petition section was inspected, photographed, disassembled and scanned.

Step 3 Verifying each petition section contains the required affidavit

As part of inspecting each petition section, the City Clerk also verified each section included a properly executed attached petition affidavit. This included inspecting each affidavit and verifying the following elements:

a. Signature, name, and address of petition circulator complete.
b. Notary signature, date and stamp complete.
c. Dates of signature for circulator and notary matched.

Any issues with an affidavit were logged, and invalid petition sections were noted, and can also be seen documented in the section review logs.

Step 4 Verifying the signatures contained in the petition

Verification of each signature contained in the petitions was completed by staff working in teams of two. At all times when signatures were being verified, the City Clerk or her designee was present and available. Any questions about the validity of a signature were escalated to the City Clerk for resolution, to ensure a consistent standard was applied across the petition.

This verification process followed the parameters of C.R.S. §31-2-220(4):

> *The clerk shall inspect timely filed petitions and attached affidavits to ensure compliance with subsection (2) of this section. Such inspection may consist of an examination of the information on the signature lines for patent defects, a comparison of the information on the signature lines with a list of registered electors provided by the county, or any other method of inspection reasonably expected to ensure compliance with subsection (2) of this section.*

Accordingly, each signature line was first examined to ensure it included all of the information required in the statute. Then, that information was checked against the information in the list of registered voters obtained from Weld County to ensure the signer was a registered voter in Greeley.

Under C.R.S. §31-2-220(2), the required information verified included:

- Signature
- Residence address, including street and number, if any
- City
- Date of signing

After each section was reviewed, a second team of two reviewed it a second time. Then, the totals from each section were logged in individual section logs documenting which signatures were validated, and which were invalidated and for what reason.

Step 5 Certifying the status of the petition to the governing body (sufficient or insufficient)

Once all petition sections had been reviewed and verified, the individual section logs were combined into a summary log for each petition. This summary log showed the total number of valid signatures for each petition. Based upon this review, it has been determined that both submitted petitions are valid and sufficient. Therefore, they are being certified as such at this time to the Greeley City Council.

Following this summary, the following materials are also included in this report of certification for each submitted petition:

- The City Clerk's Official Certification Document
- Summary of Validation Findings
- Summary of Signatures by Section

Also being provided are the master log sheets for each petition and its sections, documenting the determinations made for each line of each petition section, and the full submitted petition sections.

Steps following certification

This report of certification is being transmitted to the City Council on Monday, August 23, 2021. Upon its receipt, the Council will need to take action at its next regular meeting to set a ballot title for each proposed amendment. Because there is not a regular scheduled meeting of the Council prior to the September 3 deadline for the clerk to certify ballot contents to Weld County, a special meeting will need to be set.

Under Colorado law, charter amendment petitions follow a different process than other types of citizen petitions. There is a permitted protest period, which extends until September 1, 2021, in this instance, but which does not intersect with the certification of the petition(s) or the setting of ballot language by the governing body. C.R.S. § 31-2-223 outlines the protest procedures that apply to petitions to amend a home rule charter. C.R.S. § 31-2-210(3.5) speaks to the requirement that the clerk certify a proposed question to the county clerk and recorder by the statutory deadline 60 days prior to the election, unless a petition has been deemed insufficient, and clarifies if a petitions is subsequently found insufficient through the protest process that the election shall be deemed cancelled, and any votes cast on the question not counted.

CITY OF GREELEY
CERTIFICATION

State of Colorado
County of Weld
City of Greeley
} ss.

I, Anissa N. Hollingshead, City Clerk of the City of Greeley, Colorado, certify that, pursuant to C.R.S. § 31-2-220(4), I have examined a petition submitted by Mary Gauthiere, John Gauthiere, William J. Schneider, Robin Howard, and Sandra Cummings, for proposed amendment to the Greeley Home Rule Charter to add a new section 17-9, Procedures for Sale of Water and/or Water Supply and Treatment Facilities, and that having carefully having reviewed said petition against the rolls of registered voters maintained by Weld County, I hereby deem the petition to be valid and sufficient and in compliance with pertinent statutory provisions related to signature requirements.

The original Certificate of the City Clerk, together with the original petition and full report related to the evaluation of the same are on file in the Office of the City Clerk.

IN WITNESS WHEREOF, I have hereunto signed my name and affixed the seal of the City on this 23rd Day of August, 2021

Anissa N. Hollingshead, City Clerk

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC'D
AUG 2 '21 PM4:47

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM4:48

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:49

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:49

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:49

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:50

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:50

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:51

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:52

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM4:52

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:53

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:53

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM4:54

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:54

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

:ITY CLERK'S OFFICE REC
AUG 2 '21 PM4:55

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:55

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:56

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:56

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM4:56

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:57

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:57

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

Circulator Name (please print)

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:58

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:58

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

:ITY CLERK'S OFFICE REC
AUG 2 '21 PM4:59

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:00

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:00

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:01

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:01

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:02

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:02

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:02

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:04

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:04

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:05

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:05

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:06

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

TY CLERK'S OFFICE REC
AUG 2 '21 PM5:07

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:07

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:07

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:08

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:08

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

:ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:09

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:09

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:10

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:10

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:11

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:11

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:12

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:12

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:12

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:13

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:13

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:14

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:14

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:15

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:15

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:15

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:16

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:17

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:18

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:18

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:18

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:18

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:19

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-9 Procedures for Sale of Water and/or Water Supply and Treatment Facilities

a. No water rights, shares, or allotment of the City of Greeley, which may be usable now or in the future through the City of Greeley's water treatment plants, nor any water supply and water treatment facilities, which are owned by the City of Greeley now or in the future, shall be sold or permanently disposed of through exchange, subrogation, trade, or lease for more than five (5) years, or otherwise permanently disposed of unless and until the question of whether to sell or permanently dispose of such water rights and/or water supply and treatment facilities has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the sale or other permanent disposal of water rights, and/or water supply and treatment facilities to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who

:ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:19

prepared the independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter Provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:48

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:49

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:49

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:50

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:50

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:51

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

ITY CLERK'S OFFICE REC
AUG 2 '21 PM4:51

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

TY CLERK'S OFFICE REC
AUG 2 '21 PM4:52

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:53

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:53

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

:ITY CLERK'S OFFICE REC
AUG 2 '21 PM4:54

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:54

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:55

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

V CLERK'S OFFICE REC
AUG 2 '21 PM4:55

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:55

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:56

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:56

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:57

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:57

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:57

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

:ITY CLERK'S OFFICE REC
AUG 2 '21 PM4:58

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:58

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM4:59

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

ITY CLERK'S OFFICE REC

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:00

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:01

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:01

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:01

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:01

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:02

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:02

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:02

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:04

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

ITY CLERK'S OFFICE REC
AUG 2 '21 PM5:04

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:05

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:06

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:06

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:07

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:07

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CLERK'S OFFICE REC
AUG 2 '21 PM5:08

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:08

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:09

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:09

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:10

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:10

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:11

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:11

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:11

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:12

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:12

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:12

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:13

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:13

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:13

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:14

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:15

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

Signature (and title) of Notary/Official Administering Oath:

JoAnn Castro

My Commission Expires: August 8, 2024

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:15

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:15

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CLERK'S OFFICE REC
AUG 2 '21 PM5:16

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:17

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:17

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:17

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:18

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:18

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

ITY CLERK'S OFFICE REC

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

AFFIDAVIT OF CIRCULATOR

I do solemnly affirm under penalty of perjury that:

- I have read and understand the laws governing the circulation of petitions;
- I was eighteen years of age or older at the time this section of the petition was circulated and signed by the listed electors;
- I circulated this section of the petition;
- Each signature on this section of the petition was affixed in my presence;
- Each signature on this section of the petition is the signature of the person whose name it purports to be;
- To the best of my knowledge and belief, each of the persons signing this petition section was, at the time of signing, a registered elector;
- I have not paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix his or her signature to the petition.

WARNING:
IT IS AGAINST THE LAW:

For anyone to sign any petition with any name other than his or her own or to knowingly sign his or her name more than once for the same measure or to sign such petition when not a registered elector.

DO NOT SIGN THIS PETITION UNLESS YOU ARE A REGISTERED ELECTOR:

Do not sign this petition unless you have read or had read to you the text of the proposal in its entirety and understand its meaning.

PROPOSED AMENDMENT TO THE CITY OF GREELEY HOME RULE CHARTER:

Section 17-10 Procedures for Acquisition and Provision of Ground Water and/or Recycled Wastewater.

a. No ground water and/or recycled wastewater may be purchased/leased, and/or provided, either directly, through the City's ownership of existing ground water rights, or indirectly, through ownership of shares in ditch and reservoir companies, through the City of Greeley's water system, water treatment plants or other water infrastructure, to the registered electors of Greeley for their drinking water and/or non-potable use unless and until the question of whether to purchase/lease and/or provide such ground water or recycled wastewater has first been submitted to and approved by a majority vote of the registered electors of the City of Greeley.

b. Prior to submitting the question of the purchase/lease of ground water and/or recycled wastewater to the voters, the City Council shall cause a comprehensive and objective independent engineering study to be performed to determine the long-term effects, benefits, cost, advantages, disadvantages and advisability of such an action.

c. The engineering report, including all data and calculations, conclusions, and recommendations, shall be complete and available for inspection by the public, and copies shall be available to the public at least sixty (60) days prior to the election. The City Council shall hold at least one public hearing on the question at least thirty (30) days prior to the election. The engineer who prepared the

CITY CLERK'S OFFICE REC
AUG 2 '21 PM5:19

independent study shall be present at the public hearing to answer any questions which may be presented at the hearing.

d. The City Council shall cause to be published at least twice, one week apart, public advertisement to give notice that the engineering study is available by download from the City's website and on file and available in the City offices and library, the first such publication to be at least twenty (20) days before any public hearing. Notices of the public hearing shall be published at least twice, one week apart, the first publication to be at least fifteen (15) days before the public hearing.

e. The above prohibitions shall supersede any City of Greeley Charter provision, City Ordinance and any Contract entered into by the City or agent of the City.

Petitioners request that the proposed Charter Amendment be submitted at the next regular election in November 2021.

The following-named persons shall represent the signers in all matters affecting this petition:
