Staff Present – Kim Snyder, John Dargle

The meeting was called to order at 4:00 p.m.

A motion to approve the April 18, 2023, motion was made by Tom Devore; Tony Miller seconded. The motion passed unanimously.

New Business and Action Items:

- a. Request to add plaques to the Fallen Officer Memorial – John Cooke, a boy scout with Troop 49 in Erie is working on his Eagle Scout Project. He gave a short presentation on his project in which he would like to improve the Fallen Officers Memorial by adding plaques with information about the fallen officers. He is working with Sheriff Reams to get the information for the plaques. He had a sample of wording and some commissioners felt they it was too graphic and recommended making them more kid friendly. [ACTION - Vote to approve the concept of the addition of plaques to the Fallen Officers Memorial with oversight by Sherriff Reams.](#)
[Robb likes the idea and his grandfather, retired Sherriff John Cook, both approve.](#)
[Eddie motioned to approve the concept on the condition that the Art Commission review and approve final wording for the plaques; Michelle seconded the motion. The vote was unanimously approved.](#)
- b. 12 St Outfall final Design – Kim presented the final design submitted by Adam Kuby to be installed in 2024 as the construction schedule allows. The commission has seen and approved several iterations of this design; this is the final design. It is within budget. This project is still considered to be on schedule; delays are caused by unexpected needs of the overall project and not that of the artist.
[ACTION - Vote to approve Final Design as submitted by Adam Kuby. Tom motioned to approve the final design; Sharon seconded the motion. The vote was 10 votes in favor and 1 vote by Heather Utrada against the motion. The vote was approved 10-1.](#)
