3. New Business/ Action Items

Final Jury of Traffic Cabinet design submissions – We will jury all remaining traffic cabinet designs and should have our top 5-10 artists to recommend to the Art Commission by the end of the meeting. One additional meeting will be scheduled if this task is not possible within the time constraints. The top 5 or 10 will then be sent to a local graphic shop to print and install for us.

Design criteria:

- We do want busy designs, so they are less likely to be tagged, not too much open space.
- We do want designs that speak to Greeley and all our citizens.
- We cannot have images with much black, black lines are ok, or other dark colors that might attract too much heat.
- We cannot have images with stoplight green or stoplight red; orange or other shades of green are ok.
- We can accept a design and ask the artist to make changes IF we really like a design that is almost great for Greeley.
- Artists are allowed up to three designs each, but we do want variety. If you like all three designs from one artist, give them all a yes vote.
