Water & Sewer Council & Board Educational Tour

Friday, June 7, 2024

Water and Sewer Board members, and some members of the City Council will attend the annual Water & Sewer Educational Tour at 8:15 a.m. on Friday, June 7th. The tour will be hosted by Water & Sewer Utility Staff and will meet and depart from the Water and Sewer Department located at 1001 11th Ave., Suite 200, Greeley, also known as the City Center South building.

Three or more Water Board members are likely to attend, and City Council members are also likely to attend, therefore this meeting is posted as open to the public. The event is an water system educational tour and intended to share information with the invited members of the Board and Council.
