Subcommittee meeting for Ticket Donations: Meeting Started 3:28 p.m.

- There was discussion about how best to enforce the requirements that have been set forth for requesting agencies to provide substantiation for how UCCC was represented in their promotional materials. A suggestion was made and accepted going forward that a donation request would be approved but prior to the delivery of the tickets, the requestor must provide proof of how the UCCC would be represented and included in the promised promotional materials. Staff would handle that communication, and this would be the approach going forward.
